J. O. COOK
DRUGGIST

Beautiful Bust and Shoulders are possible if you will wear a scientifically constructed Bien Jolie Brassiere. The dragging weight of an unbalanced bust so stretches the supporting muscles that the contour of the figure is spoiled.

BIEN JOLIE
BRASSIERES

Put the bust back where it belongs, prevent the full bust from having the appearance of flabbiness, eliminate the danger of dragging muscles and confine the flesh of the shoulder giving a graceful line to the entire upper body. They are the daintiest and most serviceable garments imaginable—come in all materials and styles: Cross Back, Hook Front, Surplice, Banc east, etc. Boned with "Waiola," the rustles boning—permitting washing without removal. Have your dealer show you Bien Jolie Brassieres. If not stocked, we will gladly send him, prepaid samples to show you.
